

T or C Community Theatre News Letter 2011

Board Members: President-Cathy Lacey, Secretary-Susie Wisdom, Treasure-Helen Patterson, Membership-Kim Audette, Fundraiser-Bethann Fenn, Exec Producer-Carol Anton

Here we are in April already, where does the time go. Did you pull any April Fools day pranks? The only ones I seen were on TV. Happy Birthday to all the April babies.

Carol Anton is really lining up plays even though she's still in recovery from knee surgery. Will let her tell you about them in the next news letter, we will know more then. Kudos to Carol.

So that means we need somebody to direct them. This is your chance to get involved with the Community Theatre. I know we have some good Directors here in Sierra Co.

We are gearing up for the June plays. There will be 3 or maybe 4 short plays. So far we have "Y'all", "Life Line", and "Post It's". Charlie Kuhn will do a comedy skit between plays. They are really lovely plays, I'm sure you will enjoy them. We are having 1 more audition for them. April Fri 29th at 311 Foch, 6PM. We could also use a few men.

We had the drawing for the Community Garden Quilt Carol Anton made for a fundraiser. Jimmy Jones sold Patty Duffy the winning ticket. She is going to raffle it off again in Las Cruces for funds for a good friend who just found out she has leukemia. We wish her well.

It's yard sale time, get in the those closets & storage sheds, & bring anything you would like to donate to the Theatre for the yard sale. We will be joining Ron & Bethann at the yard sale they have most every year. Thank You Fenn's. Drop off anything you have at the 311 Foch St anytime, or 316 Foch between 9AM - 1PM or after 6PM. Could use help with setting up April Wed 27th at 10:30AM. April 28, 29, & 30th are the sale dates, hours are 8AM - 3PM.

The High School Drama club is performing a musical "You're a Good Man, Charlie Brown" at the Civic Center April 29th & 30th at 7PM. Lets support our youth & Robin Wyatt who made this possible for them. And who knows maybe we could get them to join our Community Theatre.

Boy are you ever supporting us with those Bullock receipts, keep it up, much appreciated. Don't forget to drop off those aluminum cans crushed. This is Green week so don't forget to Reuse, Reduce, & Recycle. You can bring your tin cans now on recycle drive day April 30, 10AM - 2PM.

We are going to try something different at the general mtg's. Instead of having the reports, we will read Board minutes, read & approve the General mtg's minutes, do Old Business & New Business, then use time to discuss important current & upcoming issues.

Do you like to keep Sierra Co up on coming events, if that is you, come aboard, be our much needed Pubic relations person. Want to thank Kim Audette for being our Membership Chair.

General mtg, always the LAST WED of the month, No Potluck, April 27 - 6PM

Cathy with a C / 894.6689
